Report on Committee for Newsletter and Brochure for the 2010 Mid Winter Conference February 2010

The details of the competition posted on the website have been updated and LGs invited by email to encourage their Divisions to participate. A release for Club Presidents and Secretaries inviting participation has been circulated to the Clubs by the District offices. There have been a few requests for clarifications from LGs.

A sample bulletin from the winning entries submitted for the last competition, has been posted on the District Website under the Resources/Forms tab.

No Action is requested of the Board at this time.

Plans for the remainder of the year are to continue to support the entrants, receive and assess the entries and forward the results to the District office by the end of May 2010.
