Greetings Governor Gary & Trustees

Here is my report to the 2009-2010 Kiwanis EC&C District Board for the Kiwanis Aktion Club.

Aktion Club is enjoying a great year of providing Service In Action. As the fastest growing SLP program of Kiwanis International Aktion Club continues to grow with 20% growth year over year from inception on October 1, 2000. Currently 350 Aktion Clubs benefit from 8,400 members worldwide. We have extended the Service Initiative for Sleeping Children Around The World. Since October 1, 2006 the Kiwanis Aktion Service Initiative has raised over \$60,000 usd for SCAW, thus delivering 2000+ bedkits to needy children worldwide. In EC&C, we are enjoying great success with growth from 160 members with 6 clubs to 400+ members and 17 clubs in the past 5 years. We have 3 new clubs Aruba, London and Sudbury all expected to charter in the coming months. Clubs are busy providing the motto "Service In Action" by providing over 60,000 hours of community service annually. Consider developing an Aktion Club in your community, a success story for all!

Thank You for your ongoing support of Aktion Club and we look forward to continued success ahead. Everyone Wins with Kiwanis Aktion Club!

Yours in Kiwanis,

Stu
