## For ECC Kiwanis Board Consideration

The Eastern Canada Key Club Board asks for a voice within ECC Kiwanis

Namely that the Key Club Governor, DST and District administrator:

- √ to be part of ECC Kiwanis Governor's Kiwanis LGs communication system
- √ to be part of the annual training of the Kiwanis LGs
- √ to discuss and negotiate the annual SLP budget

Key Club is a **student run organization** where members develop **leadership skills** through **service**.

The Key Club Board is composed of Governor Brian Kim, DST Uma Ahmed, Webmaster Harish Aggarwal and LGs Alison Beyer, Elizabeth Kim, Urooj Hussain, Jenn Che, Sanjay Zimmermann and Madison Downe and International Trustee Will Robertson.

### **What we are proud of:**

1. **Communication** is through Website, Facebook and Twitter. Website is student designed and operated. **Convention hotel registration is on line** this year. **Website will become bilingual this winter.**
  2. **District Service Project.** In 2009 EC Canada Key Club raised over \$16,726 for **Sleeping Children.** Marc Garneau was top fundraiser with \$5118. SCAW is the DSP for 2010. **Highest participation rate ever. Kudos to Dave Dryden for all his support.**
  3. **Scholarship** – The Canadian Kiwanis Foundation has joined us in a Matching Scholarship for \$1000. At last we have **our own scholarship in Eastern Canada.** **Thank you Chuck McIlravey and the CKF.**
  4. **Exciting new Partnership with Key Leader.** In 2009 the Key Club LGs attended the 3 Key Leader Camps and acted as facilitators. This hands on leadership experience benefited both Key Leader by giving it access to “trained” Key Clubbers and to Key Club by setting up personal contacts with Key Leader students for future Key Clubs. **Thank you to Jim McIntosh, Key Leader administrator.**
- The partnerships with Circle K and Kiwanis LGs** continue. Each Key Club LG is linked to Kiwanis LG. This mentoring is working well and has helped our Key Club LGs in their interface with the Kiwanis clubs. Our Circle K partnership involves transition strategies for Key Clubbers to become members of Circle K as well as mutual support of conventions.
5. **Finances** The EC Key Club District has budgets for both its operations and annual convention. **Ted Bulley** is responsible for this area. The operating budget for the past 3 years have been about \$17,000 with \$11,000 coming from ECC and \$6,000 from dues. Prior to 2007 the budget was c. \$ 23,000.
  6. Convention for 2010 is in Niagara Falls. Theme: *Made of Service.* **Elie Langevin** handles convention registration and operations
