

JAMAICA KEY CLUB DISTRICT  
REPORT TO EEC BOARD

The year started positively for the district with the Board and offices started the education programme that was formulated at the last Board meeting. This was instituted to improve the knowledge of members, this to the form of President Council meetings, Club Officer and member trainings and Divisional trainings across the island

The annual Key Club Week was great it started with the regular national Key Club church service , which was greatly support this year the attendance surpassed last year as there were over 700 Key Clubbers and over 100 Kiwanians in attendance, there was attendee from all Key Club Divisions. Include in the attendee was our Key club International Trustee lace Wilson

The District Key Club Week's Project was providing Jacob Ladder Home (a home for physical and mentally changes persons) with foodstuff toiletries and clothing over Four tons of foodstuffs was delivered with 168 Key Clubbers visiting to deliver the stuff and interact with the residences

The problem of dues payment was taken on by the Governor and her board. they had regular visit and communication with Key Clubs resulting 50% of the Clubs qualifying for Early Bird Patch.

The was an increase of the number of joint project and event with the Kiwanis Clubs during this quarter, but there is still a need for Kiwanis Club to fully support their sponsored Key Club

Moving into the second quarter will see the District increasing its training education program and hosting its 25<sup>th</sup>. Annual district convention April 9-11 2010

We wish to thank the district for it's continue support and the Governor Elect for always keeping in touch with us
