September 1, 2009

My Fellow Kiwanians.... Friends:

Our Trois Rivieres Convention was indeed a memorable one... what a time that was! The Trois Rivieres Host Committee delivered on their promise to provide a memorable rendezvous.

Please join me in thanking Host Committee Chair Patrick Charlebois and his team for all the work that they did to make the convention happen. Special thanks also to our District Convention Committee Chair Germaine Barr and her team for all their work. Of course, the convention could not have happened without you the members who attended and participated..... Thank you for making it to Trois Rivieres!

We are now in the final month of the administrative year. Very soon the curtains will be drawn and the baton passed on to the new team to move Kiwanis forward. As 2008/09 leaders, we will play our part to ensure a smooth transition and commit to use our knowledge and experience to further the work of our clubs and members.

Now is the time to confirm those new members and send off your New Member Adds and Fees to KI. We have done a great job in our growth endeavors and look forward to seeing a positive net membership for all clubs at the end of September.

Please take time out to thank your members for their contributions throughout the year. In addition, during the week of September 20-26, 2009, remember to recognize all our Non-Kiwanians who assist us.

Let's bring the curtains down with a great bang and celebrate our achievements as we make a difference to the lives of others especially our children.

With lots of Love!
