## 2020 – 2021 Dues

NOTICE: The EC&C District Trustees discussed the effects that the current pandemic is having on Kiwanis throughout the District. Despite COVID restrictions most clubs are meeting, completing service projects and adding new members.

Overall District administration expenses are below budget and last year's surplus was higher than needed.

It is anticipated COVID restrictions continuing into next year may cause some economic uncertainty for Kiwanis clubs. To assist the EC&C Board voted that:

*Effective October 1, **2020 District Dues will be reduced by \$6** to \$30. This reduction is for the 2020-2021 Kiwanis year only. In addition, the District is waiving its New Member Fees (\$15) and will pay the Kiwanis International New Club Fees. (\$50)*

Now is the time for your club to look at reducing dues for your members. In many cases Division funding for the Lieutenant Governor will be lower or not required. That reduction coupled with the District's six-dollar reduction will go a long way to making a meaningful one time dues reduction.

Governor Bob Spellens

Governor Designate Delores Lewis
