1.0 Marketing

1.1 Determine Catch Basin for a Key Leader Event

Focus on communities within a 3-hour drive to Key Leader facility for which Kiwanis clubs will select deserving students to attend this Key Leader event.

1.2 Promotion of Key Leader Events

At individual Kiwanis Club meetings, Divisional Caucus meetings, and Regional Caucus meetings, promote this Key Leader event to Kiwanis Clubs within the event's catch basin area.

1.3 Commitments from sponsoring Kiwanis Clubs

Those Kiwanis clubs indicating a willingness to sponsor students to a Key Leader event will sign an agreement stating that they will sponsor a specific number of students and should less than the specified number be sponsored, then the Kiwanis club will nevertheless pay for the original commitment of sponsored students.

1.4 Promotion and Linkages with Websites

*See blank agreement at **Addendum C - Key Leader Camp Sponsorship Agreement**.*

Each camp committee will promote their event at all relevant Key Leader, Key Club and Kiwanis websites, Facebook pages, and on other social media services. For each camp, a URL linkage or a reference to the site coordinator's email address should reside on the Key Leader website.

The **Key Leader website** is at **www.key-leader.org**. The Kiwanis EC&C District Website (**www.kiwanisec.org/**) will contain District Key Leader pages with information on the Key Leader program and who to contact to register for each camp.

2.0 Event Planning

2.1 Goal of each Event

Adhering to the Key Leader Mission Statement, the goal for each event is –
“To inspire young people to achieve their personal best through service leadership”.

2.2 Event Committee

Each Key Leader event will have an event committee headed up by the Site Coordinator and with several members including... Registrar, Treasurer, Quartermaster and others as required.

2.3 New Event - Site selection

Visit several local summer camps to determine the most central location within 3-hour drive from all communities in the catch basin you plan to use. Look for a camp which will provide clean and adequate accommodation, adequate dining room size, full kitchen

services, and teaching room facilities for 80 attendees. Look for a facility with reasonable rates. For a list of the Key Leader events, see **Addendum A – Schedule of Key Leader Events**

2.4 Produce an Annual Budget

Every year each event committee will produce an event budget which will include a section on Revenues, one on Expenses, and one on Carryover. Note no loss should occur. A Carryover is necessary to pay for up-front costs in the next Kiwanis year. The annual budget for each event must be sent to the Key Leader Administrator who will review it and then pass it onto the District Office for review and approval by the District Board. See **Addendum B - Sample Event Budget**.

2.5 Contract Management

Every year each event committee will negotiate and sign a contract at a facility such as a summer camp or an educational institution to provide the necessary facilities to house, feed, and provide classroom space for a Key Leader event.

Typically, a deposit is sent to the facility at time of contract signing, or shortly thereafter, and a deposit is also sent to the Key Leader Office of Kiwanis International as part of the payment for course supplies and the provision of a Lead Facilitator. In addition, a certificate of insurance for each event must be applied for from Kiwanis International and a copy forwarded to the facility hosting the Key Leader event.

Included in the Event Site contract are such details as:

- Space for main group presentation with comfortable chairs
- Space for all the neighbourhoods (breakaway groups) to meet around tables
- A functioning LCD projector with large screen
- A functioning sound system with microphones
- Appropriate meals and mealtimes respecting food allergies
- Sleeping rooms and accommodation with provision for chaperones
- Private sleeping and bathroom space for Lead Facilitator away from students
- Challenge/team-building activities for Saturday afternoon from 1:30-5:30pm by site staff.
- Access to an AED Defibrillator machine.
- On site adult with First Aid / AED Course Certification.

2.6 Recruitment of Adult Chaperones and Students

2.6.1 Recruitment of Adult Chaperones

No later than 2 months before an event, the site coordinator should invite up to 8 adults to volunteer as chaperones for this event. The ratio is 1 adult chaperone for every 10 students with a mix of both male and female adult chaperones. It is typical that more female students attend a Key Leader event and so there should be more female adult chaperones attending. Try to select both experienced as well as “new to Key Leader” adults for your group of chaperones, this will help to spread the word and support for the Key Leader program. Pick adults who will work well with youth. Once the adult

chaperone has agreed to attend, request that he or she apply for a **Vulnerable Sector Check** (background check) from their local police station.

Each prospective adult chaperone should approach the president of their Kiwanis Club to provide a letter stating that this person is a volunteer and member in good standing of their Kiwanis Club. This letter with the club letterhead should be signed by the club president. When applying for a **Vulnerable Sector Check** (background check) be sure to provide this letter to the police. By doing so, the police will either wave the cost for the background check or charge a reduced fee.

In Canada, that means applying at their local police station for a Vulnerable Sector Check to be conducted. In other countries, follow the rules of each country or apply to Kiwanis International for a background check to be conducted by "*Safe Hiring Solutions*".

Whatever the case, each adult volunteer will inform the site coordinator of the results. Only adult volunteers with a completed and clear background check will be allowed to attend the Key Leader event and sleep overnight.

As per Kiwanis International's amendments to their Policies and Procedures, effective May 1, 2020, all chaperones (club members and non-members) participating in any single-day or overnight event Service Leadership Program event must have a clear criminal history background check and must have completed Kiwanis International youth protection training. Links to the training site will be sent to all approved, cleared chaperones by Kiwanis International.

2.6.2 Recruitment of Students

Start recruiting students ages 14-18 to attend the Key Leader event as far out as possible but certainly no later than 2 months out from the event. Each sponsoring Kiwanis Club should approach their Key Club(s) for potential participants. For those sponsoring Kiwanis Clubs without a Key Club, consider contacting the Principal of the local high school requesting he or she select students with leadership potential to attend. Other youth organizations can also be approached such as church youth groups, Boy's and Girl's clubs, army cadets, etc.

2.7 Background Check for all Adults

2.7.1 In Canada

All adult volunteers at a key leader event must have a Vulnerable Sector Check (background check), good for 2 years, completed and can only attend a Key Leader event with a clear background check result. Those adult volunteers acting as drivers are not required to have a background check carried out.

Upon the submission of a completed form, a Vulnerable Sector Police check is performed by **local police services** in all Canadian provinces and territories and includes a search on the CPIC (RCMP) data base. If accompanied by a letter, from

the local Kiwanis Club President attesting to the fact this adult volunteer is a member in good standing with the club, usually the processing fee is either waived or the fee reduced by the local police service.

Once the police check is completed, the results will be made known to the individual who in turn should notify their site coordinator and club secretary of the results. These results are to be stored and kept in strict confidence.

However, the original of each Vulnerable Sector Check results report is also to be sent to Kiwanis International by mail preferably a week before the applicable camp starts. If the Police Service has moved to an electronic means of application and distribution of results, the electronic copy of the clearance is to be sent via email to youthprotection@kiwanis.org – Attention Youth Protection Team Specialist.

The Vulnerable sector check results for that individual will be sent by either their Key Leader camp Site Coordinator or by themselves by using a secure mail option directly to:

Kiwanis International – CONFIDENTIAL
ATTN: BGC Processing
Kiwanis Youth Programs
3636 Woodview Trace
Indianapolis, IN, 46268 USA

Upon receipt by Kiwanis International, the results report is received, reviewed, and cleared and the Kiwanis member's record will be updated to reflect the clear results date.

Kiwanis International will retain a copy of the **Vulnerable Sector Check (background check)**.

To ensure control, each Site Coordinator or individual must request from KI that the original of the check results for each individual be returned by KI using a secure mail option. If sent by the Site Coordinator, they will be responsible for returning the original to the individual who had the Vulnerable Sector check done.

2.7.2 In Other Countries

All adult volunteers who will stay overnight at a Key Leader event must have a background check, good for 2 years, completed and can only attend a Key Leader event with a clear background check result. Those adult volunteers acting as are not required to have a background check carried out.

Adult volunteers must submit a request to Kiwanis International for a background check to be performed by "Safe Hiring Solutions", an organization used by Kiwanis International.

After the background check is performed by "Safe Hiring Solutions", then Kiwanis International will have the results directly and should inform the Key Leader Office by

way of a summary report of those cleared. The Key Leader Office will in turn provide, to each site coordinator, a regular report of the background check status of each adult chaperone for their event.
