## Volunteer Position Job Posting Certified Instructors

**To deliver Club Leadership Education Training in 2019, 2020, 2021**

Every October, Kiwanis begins the year with a new slate of club officers. A skilled team is required to prepare the officers for their new positions. We are looking for the best and brightest Certified Instructors to educate and prepare our leaders for success.

To be considered for the position, you must have strong experience facilitating group sessions and proficiency using the technology required to deliver education modules. Preference will be given to those who have held the position of Lieutenant Governor.

As a Certified Instructor, you will be representing Kiwanis International and your District to the club officers in your Division. Providing relevant, timely and consistent education to our leaders is a priority of the Kiwanis Organization. Therefore, it is expected that training be delivered as provided by Kiwanis International and your District. This will ensure that the education sessions are consistent and accurate regardless of the club location or the instructor facilitating the curriculum.

Interested applicants are requested to complete the Certified Instructor Application Form and submit it to Kiwanis International as directed on the form, **by January 22, 2019.**

Use this link to access the application form and instructions:
