COMMITTEE FEEDBACK

We acknowledge the many projects submitted and again congratulate the clubs on a great effort. After some assessment we also recognize that the signature projects were high impact, included membership growth, member participation, benefits children. We believe we can only enhance our projects if we put a little more effort in the following:

1. Proof of Marketing:

- More Kiwanis branding required in photos
- Submit higher quality photos
- All project attendees should wear Kiwanis gear as much as possible(service projects especially)
- Include one (1) short video clips as one of the five attachments
- Include links to facebook page, website, online newspapers,etc that highlights the project
- Use action photos, showing membership engagement(try to not just stand and pose for photos)

2. Participation and Partnership:

- Invite other neighbouring clubs to join in project
- Include SLP as much as possible(use the project opportunity to recruit SLP clubs)
- Involve community Partnership

3. Reporting:

- Reporting is very important and so is grammar and spelling
- Clearer description of the project

Congratulations ECC for another year of successful participation in the Signature Project
